### Message from the Executive Headteacher

Over the next few weeks we are hoping to start making plans to develop the old allotment area at the back of the school. We have been in touch with a company who will help and work with the children to clear the area and to start growing fruit and vegetables to cook and eat. This is a very exciting time for us especially now as we can start to plan other exciting opportunities in our curriculum that will enhance the children's learning. As always we are always looking for donations – if you have any garden tools – spades, trowels, unworn gardening gloves etc that you could offer for the children to use then please bring them into the office. All donations are always gratefully received.

As always if you have any questions or queries, please contact the school office using the enquiry email.

Thank you for your continued support,  
Mrs Aulton

### Upcoming Parent Workshops

Please be aware of the upcoming parent workshops. Letters will be sent out in due course and we would love to see as many of you there as possible as it is a great opportunity to find out how to support your child's learning and find out a little more about what they do in school.

Year 1 Phonics Workshop - Tuesday 3<sup>rd</sup> February at 2.30pm

Year 6 SAT's Workshop - Wednesday 4<sup>th</sup> February at 2.15pm

Reception Maths Workshop - Tuesday 24<sup>th</sup> February at 2.30pm

Year 1 Maths Workshop - Wednesday 25<sup>th</sup> February at 2.30pm

Year 2 Maths Workshop - Thursday 26<sup>th</sup> February at 2.30pm

### Makaton News

We do so many things during our day at school. Can you learn the signs for read, write and play? What do you like to do at school?

## Spotlight on attendance

Our whole school attendance continues to hover around 93% and we would love for this to move closer to the target of 96%. However, we can't do this without your support and recognition of the importance of good attendance. Your child should be in school every day that they are able to. Parents give a wide range of reasons why their child is not in school, including birthdays, haircuts, trips to other cities that a parent needs to make to collect a package and many others. These are not valid reasons for a child not to be in school. It is important to bear in mind persistent poor attendance can result in a fine.

Remember we will be holding our Aldi raffle draw next Friday for those who have 100% attendance in January and for those who have improved attendance on the month of December.

If you have any worries or concerns about your child's attendance, please see Mrs Lindsay via the school office.
