### Message from the Executive Headteacher

We have had a lovely week yet again and going into classes and seeing the children's learning has been lovely. They talk so eloquently about their work and have great pride in their work too. Well done everyone.

Year 5 also visited the Birmingham Central Mosque yesterday. The Mosque has undergone a new development and the children were lucky enough to see part of the completed new section. It really was breathtaking to look at. Year 5 had fantastic morning, and all the children showed a fantastic respectful attitude and received amazing feedback from the tour guide who said how well behaved and well-mannered the children were. Well done Year 5.

As always if you have any questions or queries, please contact the school office using the enquiry email.

Thank you for your continued support,

### Makaton News

Next Friday is our NSPCC Number Day. Can you learn how to sign 'I love maths?' What other lessons do you enjoy at school?

## Spotlight on attendance

As you are all aware it is of huge importance that your child attends school every day that they are well enough to do so. Unfortunately, we are still seeing children being kept off school for reasons that do not warrant the absence, such as not wanting to go on a school trip, having a cough or being tired. These absences do have a negative impact on your child as they miss out on important learning and social interactions and emotional development.

We have drawn our Aldi raffle for January today. Congratulations if you were the lucky winner of a £20 Aldi voucher. We start again for the month of February on Monday so everybody has another chance to win.

If you have any worries or concerns about your child's attendance, please see Mrs Lindsay via the school office.
