How can you help at home?

- Talking about different topics studied in class.
- Going to the library.
- Reading with your child daily and then, most importantly, talking about what has been read, checking your child's understanding.
- When your child has homework encourage them to complete it and hand it in on time.
- There are some good websites that will encourage your child to find things out and improve their ICT skills eg. TT Rock Stars, Top Marks, BBC Bitesize, timestables.co.uk
